Dear Field Trip Coordinator,

Once again the Fremont & Elkhorn Valley Railroad is taking reservations for School Day Excursions for the 2010 season. School Day Excursions are THURSDAY and FRIDAY ONLY and run in the spring from April through May and in the fall from September through October.

The Fremont & Elkhorn Valley Railroad is operated by the Nebraska Railroad Museum, a 501(c)(3) non-profit organization committed to the preservation and interpretation of the railroad history of the Nebraska region for the education and enjoyment of future generations. The Railroad welcomes the opportunity to be a part of a historical learning experience for school children. School Day Excursions are made available as an annual event and in past years over 15,000 children have taken an excursion through the Elkhorn Valley on tracks originally laid in 1869, riding passenger cars dating back to the 1920s. These field trips allow children to enjoy a unique learning experience in a relaxed and casual atmosphere. The Nebraska Railroad Museum is also housed in the Fremont depot and is open for viewing before each train departure.

Join the fun! Book a field trip for your school now! Dates and times are reserved on a "first-come, first-served" basis, so please complete the form below, make a photocopy and return the original to the Railroad at the address above. You may also call us at 402-727-0615 to leave your reservation and contact information and we'll return your call. The Railroad will try to accommodate your first choice whenever possible but please be sure to specify an alternate date and time as well. If your organization has more than one group planning to ride please make and fill out a separate copy for each group.
